Dedication

We Dedicate the 1949 edition of Maple Leaves to the youth of today who will be the citizens of tomorrow, and in whom rests the hope of a better world. As time unfolds the years, may our school continue to provide opportunities for the intellectual and social development of all. May our hearts be warmed, and may advantages expand the horizons of all those who enter these doors.

The Staff takes pleasure in presenting you the Sixth Edition of *Maple Leaves*. Assignments, deadlines, staff meetings, gloss prints, typed double space . . . and on and on as the 1949 *Maple Leaves* went to press. Page by page we have tried to depict the real spirit and mettle of our school, as we present the activities of the year 1948-49. The staff wishes to express heart-felt thanks to all those who helped to make this yearbook possible. This publication is not perfect; however, we hope it will be a pleasure to you, and in the future will serve to remind you of your high school days.

Outstanding Seniors

The Senior Class selected these seniors for being outstanding in some area during their high school years. Shirley Anne Bruce has maintained a high scholastic record, and possesses a number of artistic talents, including playing the piano and writing poetry. Shirley Anne received the American history award that is granted by the DAR, and served as assistant editor of the annual. Velma Palmer has always been admired for her excellent scholastic record, and was valedictorian of the Senior Class. Velma has been a member of the Beta Club for two years and has been active in other school activities. Peggy Anne Siner has always been known for her dependability and willingness to accept responsibility. Peggy Anne received the DAR good citizenship award for this year. She was editor of the 1949 annual, and has put into this project a great deal of time and effort. Jimmy Brillheart has come into his own in sports during high school; he has been a superior football player and has starred in both basketball and baseball. Jimmy was elected president of the Student Council during his senior year, and served most ably in this capacity. Bill Grigsby was salutatorian of the Senior Class, president of F.F.A. during his senior year, and won in Dublin High School the public speaking contest sponsored by the Virginia Bankers Association. Bill has been outstanding in his interest in school activities and has been active in a number of clubs throughout high school.

Class Poem

Look at our class of '49,
We Seniors thing it's mighty fine.
We'll take our classmates one by one;
I'm sure you'll think they're loads of fun.
Our class has no Jacks or Jills—
Though we have quite an abundance of Bills;
There's *Grigsby, Duncan, Brodie,* and *Agee*—
They're a merry lot—now don't you agree?
Our football co-captains are right on top,
They are our noted *Jim* and *Hop.*
Alice talks forever like a tiny victrola;
She's quite a contrast to our silent *Lola.*
You'll see the smiling face of *Juanita Doss*
And shy *Lucille* who's never cross.
There's lively *Ritter* who loves to skate,
And naughty *Chan* who's always late.
If witty jokes are your desire—
Then go to *"Herman"*—he sets the woods on fire!
Those flirtatious eyes belong to *Imogene*
And that happy smile to *Josephine.*
All sense of reason is destroyed
When you start listening to *Leslie Boyd.*
Ah! What"s this we hear so jolly and merry—
Why that's the chuckle of *Leroy Lineberry!*
Our modest genius is *Velma Palmer,*
Marie is quiet and no one is calmer.
Who hears the news before you do—
Why, *Agnes Bolt*—that's who!
The ex-navy lad whom we thing is grand
Could be none other than frienndly *Chat Hand.*
Edith Albert is our petite brownette.
Next is *Edith Nester,* attractive—you bet!
Buddy and *Robert* think French is so hard;
Then what of *Maynard*—the cute little card?
He and *Dwight* are two of a kind—
Mischievious pranks—always on the mind.
Little *Geneva* we won't forget,
Nor the striking good looks of *Violet.*
Jr. Bonham is smart, but small
While *L. V. Linkous* is tallest of all.
Everett is fond of sleep and *Hope* is a pretty good Joe
Now look at *Sue* and *Lester*—my, they do giggle so!
Our most beautiful girl is *Peggy Anne*
Who seriously says, "I love one man."
Well, that's our class—except for me—
My loves are music and poetry;
As the Senior Class we say "Goodbye"
To the wonderful life at Dublin High.

—Shirley Anne Bruce

The Days Of Our Year

Again summer time had come and gone and a tinge of fall hovered in the air. The lazy, idle, dreamy days of summer had fled and school bells began to ring on September 3. Maybe the students are not always eager beavers, but all were anxious and happy to be in school again. We welcomed Mr. Barton, our new principal; Mrs. Simpkins, Mrs. Wilkinson, and Mr. Barnum to our faculty.

The football season opened on September 8 and promised to be exciting. Our boys in blue emerged triumphantly from a successful season, which included a spectacular defeat of the Radford Bobcats. The annual homecoming dance was held in the cafeteria on November 12, and the football king and queen were crowned at this time. An additional honor for the football players and the cheerleaders was the dinner sponsored by the Ruritan Club at the Methodist church in December.

The organization of the Student Council and the appearance of the Blue Streak, our school paper, added greatly to the enrichment of our school life.

The Beta Club officers were installed, and new members were inducted the first of December with a very impressive program. This club seeks to acknowledge noteworthy accomplishments of students, and the members are always acclaimed by the whole student body.

The Senior Class gave three performances of a Christmas play, *A Dream Toward Bethlehem.* After wishing our friends a Merry Christmas, we left school anticipating a grand holiday which was being ushered in with parties, dances, and other festivities. Christmas was white and merry, and the new year was happy as all the folks gathered with their friends for the last celebration of '48.

Those blue, after-Christmas-let-down-months of January and February were very much enlivened by work on *Maple Leaves,* the football banquet, basketball games, and EXAMS. The teachers brought for the latter items; we managed to come through still warm, but not very much alive. When the football banquet was held on January 19, everyone was agog with excitement and the evening came up fully to our expectations. The basketball scores improved as time went on, and the prospect looks good for next year.

The seasons got a little out of tune in the beginning of '49 as the daffodils and crocuses just popped out of the ground in the early part of February and burst into bloom before we could anticipate them. In Dublin, we believe that the world's record for spring fever is broken, and each spring someone breaks the record for the preceding year. This made things especially hard for those would-be Beta Club members. Then spring came according to the calendar and along with it came baseball, picnics, the senior play, parties for the seniors, and that uncontrollable urge just to be out of school. Easter provided a four day vacation, and it was a relief to have a few days rest from classrooms and books. On Easter morning buttons and bows flourished, and by this time only the oldsters talked about the new look.

Well, here it is the middle of May and the dream of graduation from high school is shortly to become a reality. As the perspective begins to focus on the immediate future, the seniors begin to wonder if they really do know all the answers as they once thought. For some of the seniors a college career is planned, for some matrimony is approaching, and for others just the lure of "those far away places I've been dreaming about." Anyway things will come out all right because the seniors don't make mistakes.

High school years have been good and even though we really are not fully educated, we do hope that we have gained enough knowledge to know what the score is no matter were we are or who we are with. Oops! There we go ending that sentence with a preposition; and imagine saying *with who!* (And who said seniors don't make mistakes.)

In the fall Dublin High School organized a student government association for the first time. The purpose of this organization is to create among the students a deeper sense of responsibility; and to promote the general welfare of the school and of each individual student. The Student Council has organized an effective student patrol, and brought about a number of changes that have been for the betterment of the school.

The Choral Club, under the direction of Mr. James H. Godfrey, has done well this year. They have appeared on station WPUV and made several other public appearances. Outstanding achievements have been serving as hosts for the Pulaski County Choral Workshop, presenting the music for the senior Christmas play, taking part in the District Music Festival, and presenting a concert to the public in March.

The Future Farmers of America, the national organization for boys in vocational agriculture, promotes interest in improved methods of farming and extends the opportunities of rural boys. The club attempts to develop a greater appreciation of farm life through better farming practices and better utilization of farm resources. The F.F.A. also serves to encourage members in the development of individual farm programs and to become established in farming.

The Home Economics Club is composed of the students in this department. The club serves to promote more interest in this field, and to improve the social and educational offerings of the home economics department. Through the efforts of this group, a number of opportunities has been extended to these young home-makers, and to the school in general.

The Future Homemakers of America was initiated into Dublin High School in 1946-47. Much has been done to improve the Home Economics Department and school by the co-operation of the club and home economics classes.

The National Association held a conference last year in Kansas City, Missouri. Our club was represented by Virginia Siner, local president and federation vice-president.

The *Blue Streak,* the school paper, is published bi-monthly and serves to inform students of school activities and coming attractions. Those who have a yearning for printer's ink gain experience in reporting, writing, and editing. All of us look forward to each edition and read with interest each article. The students do work very hard to make it a success, and we appreciate the time and effort that goes into this project.

The Dublin Hi-Y was organized on February 1, 1949 by Mr. H. M. Bixler, director of Pulaski Y.M.C.A. This club is a branch of the Y.M.C.A., and is devoted to the promotion of a better life for all the young men in the community. The purpose of Hi-Y is to develop a high standard of Christian conduct in the school, home, and community. The club tries to encourage good sportsmanship, clean speech, good scholarship, and clean living among all the students in school and to work together for a finer community and better world.

The Monogram Club, sponsored by Coach Gene Barnum, is composed of all boys and girls who have earned a letter in sports. Those who proudly wear a "D" are outstanding for their ability in some aspect of sports as well as for the good sportsmanship they always demonstrate. They serve as a force to unify all sports activities, and establish a program that expresses the high ideals for which we strive at all times.

The Dublin Dukes opened a 10 game schedule with 25 hopefuls including 12 lettermen from last season. On September 5 the team received a great blow when Mr. Edward P. Jennings, the coach, was killed in an automobile accident. We felt fortunate in having Mr. Jennings as coach and physical education instructor, and suffered a great loss in his death. Mr. Eugene E. Barnum of Lynchburg, a highly trained football man, succeeded Mr. Jennings. Under Coach Barnum, the team had a wonderlul season. We fought all year for the district championship, and finished third in the dictrict with a record of 7 wins, 2 losses, and 1 tie for one of the Dukes' best years.

1948 Football Season

DUBLIN vs. HILLSVILLE

The Dublin Dukes opened their campaign on September 10 by rolling over Hillsville High School 46 to 6 at Hillsville. Brillheart starred for Dublin as he ran for five touchdowns, and passed to John Cregger for another.

DUBLIN vs ANDREW LEWIS

On September 17 the Dublin Dukes fought a hard game but losing battle against Andrew Lewis as the latter piled up a score of 33 to 0. The spirited Dublin boys were simply outclassed by the much larger school.

DUBLIN vs. PEARISBURG

The Dublin Dukes slashed Pearisburg 45 to 2 when they played on Soldier's Field in Dublin September 24. The Dublin team was obviously boss and victory was assured from the start.

DUBLIN vs. RADFORD

The Dublin Dukes established themselves as strong contenders for the District 6 crown as they turned back the highly favored Radford "Bobcats" 13 to 6 on October 1. This was the first time in 21 years that the "Dukes" had beaten the "Bobcats." The teamwork in this game was beautiful to see and victory was the reward.

DUBLIN vs. NARROWS

An overconfident team bowed to a strong Narrows "Green Wave" 20 to 6 as we lost our first district game on October 9. Brillheart scored the lone Dublin 6 points on a pass play in the final quarter.

DUBLIN vs. CHRISTIANSBURG

On October 15 Dublin got back in the win column by defeating the "Blue Demons" of Christiansburg 19 to 13 at Radford. Charlie Sumner stood out on both offense and defense. This was a good game from start to finish.

DUBLIN vs. BASSETT

On October 22 Dublin stayed in the thick of the fight for district laurels by downing an outclassed Bassett eleven by a 25 to 0 score. For Coach Gene Barnum's gallant little band of "Dukes," it was a well played game after the first five minutes. Bobby Farmer, guard, was praised by his coach for the fine way he performed in this game.

DUBLIN vs. PULASKI

The county rivals, Pulaski and Dublin, met on Calfee Field in Pulaski on October 8 to show about 2500 fans every possible thrill that could be seen in a football game, as they battled to a 14-14 deadlock. Again Brillheart starred as he ran 51 and 31 yards for Dublin's touchdowns. More interest was provided as Sumner kicked two perfect placements for extra points.

DUBLIN vs. FRIES

The Dublin team struck through the air and on the ground almost at will to rout an outclassed Fries eleven 40 to 0 on November 5. The entire Dublin line stood out while Brillheart and Lance were taking backfield honors.

DUBLIN vs. GALAX

On November 12, the spirited Dublin Dukes fought from behind twice to down Galax 12 to 8. Much of the credit for this game was due to the sterling quarterbacking of Bill Brodie.

Dublin revived basketball for the '49 season and has made a good showing, even though the wins have not been numerous. Charlie Sumner has been a very promising player all season making high score eleven times with a total of 195 points. The team as a whole has displayed ability and, in spite of having to travel some distance to practice, has performed well. Mr. Barnum feels that basketball is an up and coming winter sport and will be better developed next year.

BASEBALL SEASON '48

Coach Barton started the season handicapped by the loss of eight lettermen from the powerful '47 nine. The outlook for the season was not very good, but this new inexperienced team under the guidance of a very good coach rounded into another powerful Dublin nine. The "Dukes," faced with a very tough schedule, made an excellent showing by winning 10 out of 16 games. Since we lost only one letterman, the prospects for the '49 season is all in our favor. Graduation took our sterling catcher, Dan Tolbert, but we have some good substitutes to take his place.

Moving Forward
with the South . . . .

The production of better type fabrics has grown to tremendous proportions in the South. Paralleling this outstanding progress made by the textile industry has been the resultant higher standard of living.

Burlington Mills is proud to be a part of this progress . . . proud of the fact that this Company has invested millions of dollars in the future of the South. By ever-expanding its own production, Burlington is contributing to the rapid increase in business activity—the yardstick of prosperity. For economic stability, Burlington maintains a program of financial soundness, reflected in its net worth of over $100,000,000.

Through this extensive program for economic progress, Burlington Mills' 83 plants have been able to produce the best possible products at the lowest possible prices. These quality fabrics are truly "woven into the life of America." That's why over 28,000 employees are going forward with Burlington Mills.
